

Dukung Agustin Capriati, Duta UB dalam nominasi Mawapres Nasional 2014

Support Agustin Capriati, the UB Ambassador in National Mawapres 2014

☒ Agustin Capriati, mahasiswa PSPK Program Studi PSP sekaligus Mawapres UB 2014 terpilih mewakili UB untuk bersaing menjadi yang terbaik dalam nominasi Mawapres Nasional 2014. Tema yang diambil adalah "*Rising up local lesson learnt to provide global impact on saving coral reef ecosystem*". Di sini Agustin membuka wawasan kita mengenai peran penting dalam menghadapi perubahan iklim. Di sisi lain, vulnerabilitas terumbu karang dan kurangnya perhatian justru membuat keberadaan terumbu karang menjadi semakin terancam. Ayo selamatkan karang! Dukungan dapat diberikan dengan memberikan "like" pada video youtube dan memberikan komen positif. Link youtube dapat diklik pada tautan berikut: [Mawapres UB 2014 Agustin Capriati](#) Good luck Agustin, be the champion! ☒ Agustin Capriati, a PSPK student in the major of PSP study program as well as the Mawapres UB 2014 is chosen to represent UB to compete and be the best in the National Mawapres 2014. The theme in this competition is "*Rising up local lesson learnt to provide global impact on saving coral reef ecosystem*". Here, Agustin open our insights regarding the important role in addressing climate change. On the other hand, the vulnerability of coral reefs and the lack of attention makes the existence of coral reefs becoming increasingly threatened. Let's save the reef! Your supports can be given with clicking "like" on a video in youtube and give some positive comments. The link of Youtube's video can be accessed below [Mawapres UB 2014 Agustin Capriati](#) Good luck Agustin, be the champion!
